

SISTEMA DE 7 CÁMARAS

Nuestro nuevo sistema serie plata BAUFENS 8500 satisface las necesidades de todos los clientes que buscan un diseño moderno y elegante, practicidad y funcionalidad que les permita el más alto

nivel de confort de vida.

Disponible con doble vidrio de 24 mm, triple vidrio de 36 mm y triple moldura de PVC de 44 mm.

Tres niveles de respiración garantizan una buena resistencia al viento, una protección óptima contra el viento y un aislamiento acústico superior.

 $/\!/\!/$ Disponible con doble cristal de 24mm, tricapa de 36mm y triple junquillo de 44mm.
